

Perth UpMarket

UWA Winthrop Hall plays host to Perth UpMarket, Perth's premier, quarterly market for original and handcrafted wares in 2010. This March UpMarket is showcasing Ecopeco - ecologically sustainable clothing.

In partnership with UWA and UWA Extension, Perth Upmarket will find its new home in the University's Winthrop Hall.

The market brings together over 100 of Perth's most talented artists, designers, craftsmen and gourmets under one roof. Come and meet the creators and purchase high quality wares such as: handcrafted clothing; jewellery; skin care products; handbags; wall and paper art; wood products; toys; cupcakes plus lots more. Parking and entry are free and the venue is easily accessible.

For a taste of what's on offer: Oli B Designs by Justine Barsley, will be there offering children's clothing made from Vintage Chenille and limited edition fabrics.

Ecopeco designer, Justine Davis creates kids clothing from environmentally friendly fabrics, dyes and inks. Ecopeco teeshirts have a high threadcount, are made in Australia and the company give a share of its profit to environmental organisations.

Quirky Perth based 'Stepmum's make usable products from recycled tetra, vinyl records and inner tubes! Using techniques that have been passed through the generations of a Swiss family, Stepmum's creations include: wallets made from milk cartons; bags, bowls, book stands, pencil holders, cake stands made from vinyl records; postcards, and book marks made from record covers; phone pouches, wallets, and shoulder bags made from inner tube; purses made from knitted video tape; jigsaw puzzle earrings; and rolled paper bead necklaces.
